

30 September 2024

Dear WoSA Members,

During September our international team traveled to South Africa for the annual WoSA Strategic Conference and AGM. The Strategic Conference took place in Franschhoek this year at the beautiful L'Ermitage hotel and villas and a lot of the planning for CapeWine 2025 took place, amongst other important topics that were discussed and decisions made.

On the 18th of September we hosted our AGM at The Franschhoek Cellar, to an audience of 120 people - one of the best attendances yet. For those of you who couldn't join us on the day, please do feel free to [take a look at the various market presentations](#) from our international team to get an idea of market trends and activities that have taken place over the past year.

Kind regards
The WoSA Team
